

Father we rejoice in your love during this new season and we grab a hold of all that you have done and are doing for us because of your great love for us. We triumphantly enter into this season in full expectation that you are going to do exactly what you said you would do for us, our generations, households, church.

We hold on to everything that your Love has provided us. We hold onto your promises we hold onto your deliverance we hold on to the victory of God; we hold on to the future you promised.

We are overwhelmed with your goodness and the tremendous power you have made available to us. We will not let it lie dormant. That's why we pray, fast, consecrate. We understand and accept your great calling upon our lives to be your representatives in the earth. We will not shrink back. We step up in the love walk. We step up in our dominion by dominating with our prayers, fasting, loving, by speaking into situations that need to change. We set ourselves to be salty salt and brilliant light in the earth. To represent you and your kingdom accurately as conduits of your power flowing through us onto the world around us.

Thank you that your system is working. Your system is flawless because it is built upon perfect love. We expect the benefits of your perfect love. We pray and fast so that we not only expect but we actually experience the goodness of the Lord in the land of the living. We make no small plans in this year of abundant provision.

You love us and by an act of our will we choose to love You Father God. We boldly proclaim our love for you, our gratefulness for your goodness, your mercy that is everlastingly manifesting in our lives. Your perfect love casts out all fear. We thank you that you have us engraved on the palm of your hand and our walls are ever before you. We set ourselves to walk in faith not fear. Faith works by love so we set ourselves to walk in love with one another, with those we encounter every day. By faith we declare You have brought us out into a wealthy place and we hold on to it.

We resist the devil, fight and stand in the battles. You Father God have delivered us. We rejoice in the Lord and set our minds on the things of Christ; We maintain our victory. The spirit of the living God is in us to walk and live victoriously. This day and every day the victory is delivered into our hands. We're not trying to get the victory, we already have the victory.

We set ourselves during this consecration to remember your names Oh God. The name of the God of Jacob sets us on high and protects us in battle. Some trust in horses, some in chariots but we will remember the name of the Lord our God. They are brought down and fallen, but we are risen and stand upright

We set ourselves to fulfill the call of God on this ministry as you send the distressed, indebted and discontent through our doors. And as we walk by faith in your love, dominion, power and authority they will be transformed into mighty men, women and children of the most High God.

We remember your immeasurable love for us. We believe that in this year of Abundant Provision we will see the continued magnificence of your hand moving on our behalf. We set ourselves to walk in your love that bears all things regardless of what comes; believes all things looking for the best in each one, hopes all things remaining steadfast during difficult times and endures all things without weakening.

We thank you, father that your victory is flowing in our lives for us. Your victory is manifesting on all hands for us for our children, grandchildren and for their generations for Revival Center for our colleagues and coworkers on our jobs for our businesses in our neighborhood and community with the body of Christ with the prayer warriors. Thank you Lord for victory born out of LOVE. We receive it in Jesus name

Thank you Father for making things right again for us your people - everywhere we turn, BLESSINGS, coming so fast it'll make our heads spin.
We are waving your word. All that you have spoken we will do.

We expect you to go before us.

We expect that it is finished, the finished work of Christ.

We expect favor and Blessings

We expect all our debts to be cancelled, paid in full or forgiven. We expect that scarcity and lack have no place in Our lives. We add our faith to the works of Jesus on the Cross.

We expect our camels to stampede toward us loaded down.

Let what the enemy has planned fail in the name of Jesus.

Dec. 29, 2022

May

We still receive the favor & blessing. We still expect you To turn it around for us
Anywhere enemy thinks he plundered us that he has to give it back 7 fold.

We expect Your provision and favor and protection for us and our families.

We have turned up 2022 & prior years and are shaking out what belongs to us that has
been held up, delayed, stolen and we receive it all as we go into 2023. Everything the
Lord has promised shall come to pass.

We expect the breaker anointing. Break thru for us God. We expect you to go before us
and we walk thru into our recompense, favor, blessings

We look for you in these last few days of 2022 that which was held up be loosed for us
& our children, in Jesus name.

We thank you Father that When we come as we intercede for others that it is done for
us. Thank you for great reward for each and every one.

Thank you that you fight for us. Who can stand against our God? No one.

Wherever this year tried to do us in you said no and brought us thru and we counter
attacked.

We will remember the name of the Lord our God.

We are finishing this year strong and in positions of power and reciprocity and
restoration and resolution. Be it resolved....

God is my saving grace who wants to sustain me as I go into my day.

Thank you Father God for blessing us indeed and enlarging our territory.

The Intentions of God (book)

Our response to the word that has gone out!:

Without a vision, divine guidance, divine revelation the people run wild, cast off
restraint, perish, but blessed is the one who heeds wisdom's instruction.

My mouth is the pen of a ready writer. I write the divine revelation that I may run with
it. I speak my agreement with the divine revelation. I'm reaping the harvest God
promised me. I decree the word of God and it is established for me and my family. I do
not allow my mouth to set the course of my life on fire. My mouth will not burn down

my life. No. I speak life. I speak blessing. I speak the word. I speak the prophetic word. I mix my faith with works, and I receive the miraculous. In Jesus's name!

To know God is to be BLESSED.

To know God is to be WISE - to know what to do in every situation. To know how to maximize every opportunity.

Everything about you Lord Jesus is a yes. Because of you, Lord Jesus, my life is a yes. I add my faith to the works of Jesus Christ on the cross, and therefore my whole life is a yes to the things of God the blessings of God promises of God, the favor of God, the victory of God by and through Christ, Jesus.

He who has began a good work in earth, shall perform it until completion until the day of Jesus Christ the day God gave us the promises. He already put on the schedule the completion date. The test for us is to say God I'm gonna keep believing when I don't see anything happening when every thought his telling me just the opposite.

I will not quit, but leaving a week before a month before how do we know it's not gonna happen this week this month at the end of this year we keep believing we know you were on the throne you would know how to put the dream and our hearts if you cannot bring us to pass, we serve a big God. One touch of your favor can turn any situation around, Jesus said if you believe all things are possible, he didn't say if you can figure it out if you know the right people if you have an education if you come from the Wright family, he said just be a believer and watch what I will do he said just take the limit off of May 2022 2023 is not gonna be able to get by here. God is constantly working all things together for good for us. He's always moving things around in the spiritual realm. He's moving in our direction.

I get a vision of the supernatural I do not look at what I see but I look at what I believe. God is doing in the supernatural for me my love month my prayers, family career, finances, house, marriage present, and future.

Things have changed in my favorite scripture says we walk by faith and not by sight Thank you, father today something changed in my favor I believe in Jesus name

Sense of purpose and sense of proportion is what we gain from the trials we go through
