

SWCP 2019 DECLARATIONS

Activating the Unlimited Anointing

We declare that our Father God is moving us forward, taking the limits off and we have to take the limits off ourselves. We declare that nothing will stop us from partaking in what God is doing. This move of God will be uninterrupted. Only the Holy Spirit is going to drive this and orchestrate everything we need to operate in the uninterrupted flow of the unlimited anointing. We decree the uninterrupted manifestation and execution of God's plans for SWCP and all its attendees. Come this new realm of God.

Thank you for the Kairos time, this ordained time for such a time as this. It is time for this region, this territory to move to the next realm of God's Kingdom and power and we declare a release of the outpouring of your spirit. Thank you for the great work done last year of breaking the yokes, rearranging destinies and now it is time for us to go through the doors you Father God have opened for us in the next realm of your Kingdom. We are operating in that breaking, in the unending flow of God. Thank you that we are operating in the level of "UN" – unusual, unlimited, undefeatable, unstoppable, unconquerable, unending flow of God, moves of God, marvels, wonders and manifestations of God's greatness. We expect it, we call for it, we decree it.

We decree that more will answer the call and come to this spiritual exercise, warfare drill to hone their skills, to sharpen their weapons, to be promoted to the next level realm of being skillful prayer warriors. We decree a prophetic flow for the Apostles, Prophets, Ministers to be able to articulate what they are hearing and seeing in the new realm that God has opened up for us. It will be amazing what you say to us and what you instruct us to do and how you teach us and open up our eyes, the eyes of our understanding to be flooded with light to see into an entirely new realm, to receive direction from an entirely new realm of God's power with visions, dreams, prophetic words and mysteries that are unfolding prophetically through tongues and interpretation of tongues. And with miracles and testimonies and with financial provision that will supernaturally, miraculously come to us to be able to sow into the Kingdom and sow into the work that God is doing. Thank you for the unlimited release of wealth and finances for SWCP and the Prayer Warriors and ministries that God has raised up to go forward at this Kairos time, in this season of "UN". With nothing limiting us. Unlimited resources to go forward.

We decree that the Holy Spirit is continuing to pray this move through us because it is unusual prayers that we need to pray, it's things we've never prayed before and our ears will be supernaturally anointed to hear from the Holy Spirit. Our Spirits are more in tune and heightened and much more alert and sensitive to the things of God. We'll know what to do and what to say in every situation as we minister and lay hands and speak into lives. In our business, ministries, in our own personal prayer lives and conversations and marriages and with our children, our seed, in-laws, churches, everything we do everywhere we go – even in casual conversations.

People are being drawn to us like never before. When we run into people, it will make a difference. This unlimited anointing is getting on us and it's going to change the way we do everything. It will rub off on all of those around us. It will change every interaction, how we run our business, have conversations, do our jobs, operate in the ministry, handle our finances. Even the way we eat and take care of ourselves. We won't have to work as hard because the unlimited anointing is upon us and it will change how we do EVERYTHING. It will give us wisdom to know what to do.

We receive it, we expect it and we say it out of our own mouths. And the angels are going forward hearkening to the word of God that we are decreeing causing it to manifest and no demon can stop us. The minute we sense the activity of the enemy trying to intervene in any area, we immediately take authority over it and it's stopped, defeated, foiled by the power of God's unlimited anointing upon us. They are gone, bound, unable to interfere and carry out their plans against us, our seed, our decrees, our plans, SWCP, our finances, the Prayer Warriors, jobs, businesses, investments, finances, our homes, our marriages, relationships, colleagues, coworkers, education, everything that concerns us.

We decree that the enemy will not even be able to craft a weapon against us because the angels are on assignment, watching, alert, and they are shutting it down immediately before the enemy can get it done. No attack against us shall come to fruition or prosper. No weapon, nothing will stop us, nothing will hinder or delay us, the release has happened. The heavens are open. The unlimited outpouring of not only the anointing, but the wealth and riches of God, the health and well-being, the strength of God, the outpouring of the gifts of the Spirit, the unlimited manifestations of the signs, wonders, miracles, manifestation of great works, marvels, wonders are happening now. We receive it for everyone attending SWCP, sensing it even where they are.

We decree the spirit of anointing and intercession will come upon the Prayer Warriors and their households in an even greater measure. They will be led to pray in the spirit leading up to and during SWCP and even after it, the residue of God upon those answering the call will cause them to never be the same. It will be lingering and flowing up on us and everyone we come into contact with. This is a change for the rest of our days. We will never be the same again. No more routine prayers. No more rote prayers. It's a whole different realm, level of prayer. No more mild, ritualistic, rudimentary, business-as-usual prayers. We are praying *Unlimited Anointing* prayers going forward from this moment forward. The activation will flow.

God is giving the wisdom and the anointing for this activation like never before. The prophetic will flow like never before. We decree and declare unlimited outpouring of God's spirit upon those ministering in word, prophecy and worship. There will be singing and flowing in the spirit and prophetically like never before. Those answering the call will see and hear from God, be promoted in the Spirit, have visions and trances and experience all the manifestations of God happening in that place. This is a mighty, mighty thing that God is doing – the Unlimited Anointing of God, Unlimited outpouring of God's Spirit. Thank You Lord! We receive it God. It is so. Blessed be the name of the Lord.

We have fasted – not to change God's mind because you have already made up your mind to release the unlimited anointing. But we fasted so that we expect it and so that we are free and we release ourselves out of our mindsets and our limitations that we have placed upon ourselves. We walk out of limitations and don't let ourselves be bound by them because we are free. We are free to operate in that next level realm of God. The level of "UN". New realm, new promotions, new heights, new anointing, more anointing, unlimited anointing.
