

SKILLFUL WARRIORS CALL TO PRAYER
2018 PRAYER DECLARATIONS – “BREAKING YOKES; REARRANGING DESTINIES”

Father today we release our faith - the kind of faith that excites you - for yokes to be broken and for destinies to be rearranged in the name of Jesus. Thank you, Lord for your Glory being released in our midst. We declare that You Lord our God in the midst of us is Mighty and You are rejoicing over us with singing this day!

We **first speak over ourselves**: We see you being mighty in our midst so that destinies are rearranged, so that things are turned around for us, your people and everyone connected to us, so that we get back on track, so that we are increasing – not decreasing, so that we are going forward – not backward in the name of Jesus. Our ministries and careers are not declining but they are inclining, they are escalating. We are being promoted to positions of power, influence and increase – spiritually and naturally so, because the yokes are broken off of us that have hindered us and held us back. Every yoke of oppression, deception, poverty, lack, abuse, bondage, prejudice, injustice, fear, anger, rage, trauma, sickness, disease and every hindrance is broken by the Lord our God in the midst of us who IS Mighty. The hurts of the past are gone. The bitterness is gone. The pain is gone. God has released me. Every hindrance is broken off me now.

And we are walking in the love that is the engine of our faith. We don't keep track of injustices, we don't keep any record of wrong. We forgive. We will not allow our faith to be hindered. We let loose of grudges. We receive the anointing to walk in freedom every day. We walk in love every day. We receive the anointing to be the people of God. To be Your Mighty Army. To be Prayer Warriors. To be Victors on the Field. We receive the anointing to occupy until you come. We receive the anointing to break every yoke in the name of Jesus with the Word of God, with our Prayers, with our Faith, with our Love, with our Vision, with our Weapons.

And because we release our faith and walk in love, we **next speak a breaking of yokes over the people** and regions and territories. We see people coming out of oppression, coming out of sin and bondage of every kind. Coming out of false religion. Coming out of addictions, poverty and lack, sickness, disease and infirmity, coming out of depression and mental illness. Coming out of strife, division and contention and broken relationships. Everywhere we go, everywhere our seed goes, on every coast, in every nation we call the people out of bondage, out from the powers of darkness - with the yokes being broken in the name of Jesus.

We use our weapons, our mouths to break yokes, to walk in the anointing, to be the Church, to be the Vessels facilitating the outpouring of the Glory of God in this Region and beyond, in the name of Jesus. We see it happening by faith. The Glory of God is manifesting in this Region, at SWCP - bringing a whole new move, a wave of God and it will flow throughout this Region to every Church, to every Institution, every Community, every Neighborhood, every City, every Body in the Name of Jesus. The Spirit of the Living God is falling fresh on Us. The Lord Our God in the midst of us is Mighty and permanently turning things around for the people. There will not be a falling away, but there is a coming TO God - a rising up because we are letting our lights shine so that the Glory of the Lord is manifested and revealed to the lost and to all in this Region, in this time, in this season.

We expose the darkness and call forth the Light to shine and dissipate darkness. Even the residue of darkness is destroyed. People are coming out of darkness because the light is shining through Us, the people of God. Those that were in darkness are running to the Light that is being revealed in this region. We thank you Father that as we come together, call for it and declare it, your light shall manifest and shine even greater.

And now I rejoice that the Yoke is Broken. My obedience is being rewarded. The Strategy has shifted. I'm getting new instruction and revelation from God. My gifts are awakened. My talents are stirred up. Fresh Glory has been released. I will never be the same again. I am smeared with the oil of God. I will never see the Word the same. I will never see the people the same. The Glory of the Lord is on me NOW. Revelation is on me NOW. The Prophetic word is on me NOW. A new flow of the spirit is on me NOW. My gifts are released NOW in the name of Jesus. This new anointing and fresh oil IS for me. My cup runneth over. My struggle IS broken. There IS a break through that has happened for me and my house. This IS the Lord's doing and it IS marvelous in our eyes!
